About This Content

Once every thousand years, a portal opens to a parallel world and strange creatures invade and threaten Earth. But a group of guardians will rise to protect our daily lives, while tackling battles, romance, love and interpersonal relationship. This is the world of **BELIEVER!**, a beloved visual novel released by D3 Publisher.

Now you can bring the marvelous **BELIEVER!** world to your non-commercial VNM projects! **BELIEVER!** Collection is a 3-part series of stunning graphics - including both unique characters and gorgeous backgrounds. Spanning across all 3 volumes, there is a total of over 3800 characters illustrations and 68 backgrounds that are waiting to be used. Whether you're looking to craft a novella set in the **BELIEVER!** world or simply wish for stylish graphics to illustrate an original love story, you can't go wrong with **BELIEVER!** Collection!

Volume 3 is all about the Outer world of Galvaricia and its denizens. Explore the castles and forest of the parallel world and bring a touch of danger to your non-commercial Visual Novel Maker projects! With 11 expressions for each of the 6 characters and 18 exciting locations to explore, you're sure to be inspired for adventure, betrayal, romance and more.
